Accomplishment Report
To Whom It May Concern,

Accomplishment Report

1. Finished VMS Dashboard

Completed the design prototype of the VMS dashboard, showcasing the layout, data placement, and overall interface structure.

2. Finished Interactive Sidebar

Created a prototype of an interactive sidebar demonstrating navigation flow and responsive behavior.

3. VMS Prototype (Visitor's Side)

Developed a visual prototype of the visitor-side interface to present the system's design, layout, and user journey.
